

Charlie Thannhaeuser

Chief Executive Officer and Chief Technology Officer
Concord Blue

Panelist at:

Waste to Hydrogen
🕒 14:45-

Charlie is the founder of Concord Blue and the inventor of the patented Concord Blue Reformer. He invented the CBR in full conviction that there is no alternative to the truly emission free fuel that can single handedly be the solution for all energy, transport and industrial requirements, whilst achieving net carbon zero goals by 2050.

Sustainable Energy Council

The world's leading sustainable events, business council & training provider for the energy & infrastructure industries.

World Hydrogen Advisory Board

Our members meet regularly and give focus to the proceedings to ensure that key industry challenges and opportunities are addressed.
